Cddie:

Well, it's been a long, hard year, but now it is finally over. This was my first and last year at Westport High, and I'm glad I met you during this time. You're a real swell guy, Cddie. There aren't very many people left in this world like you! Stay as sweet, cute, and crazy as you are now. I'll miss joking

around next year, never and I never me with you but I'll forget you, hope you forget either.

If Judy is who you really like, I wish you both all the luck in the world and a very nice future. Have fun this summer. Maybe we ~~can~~ still see each other swimming or someplace this summer?!

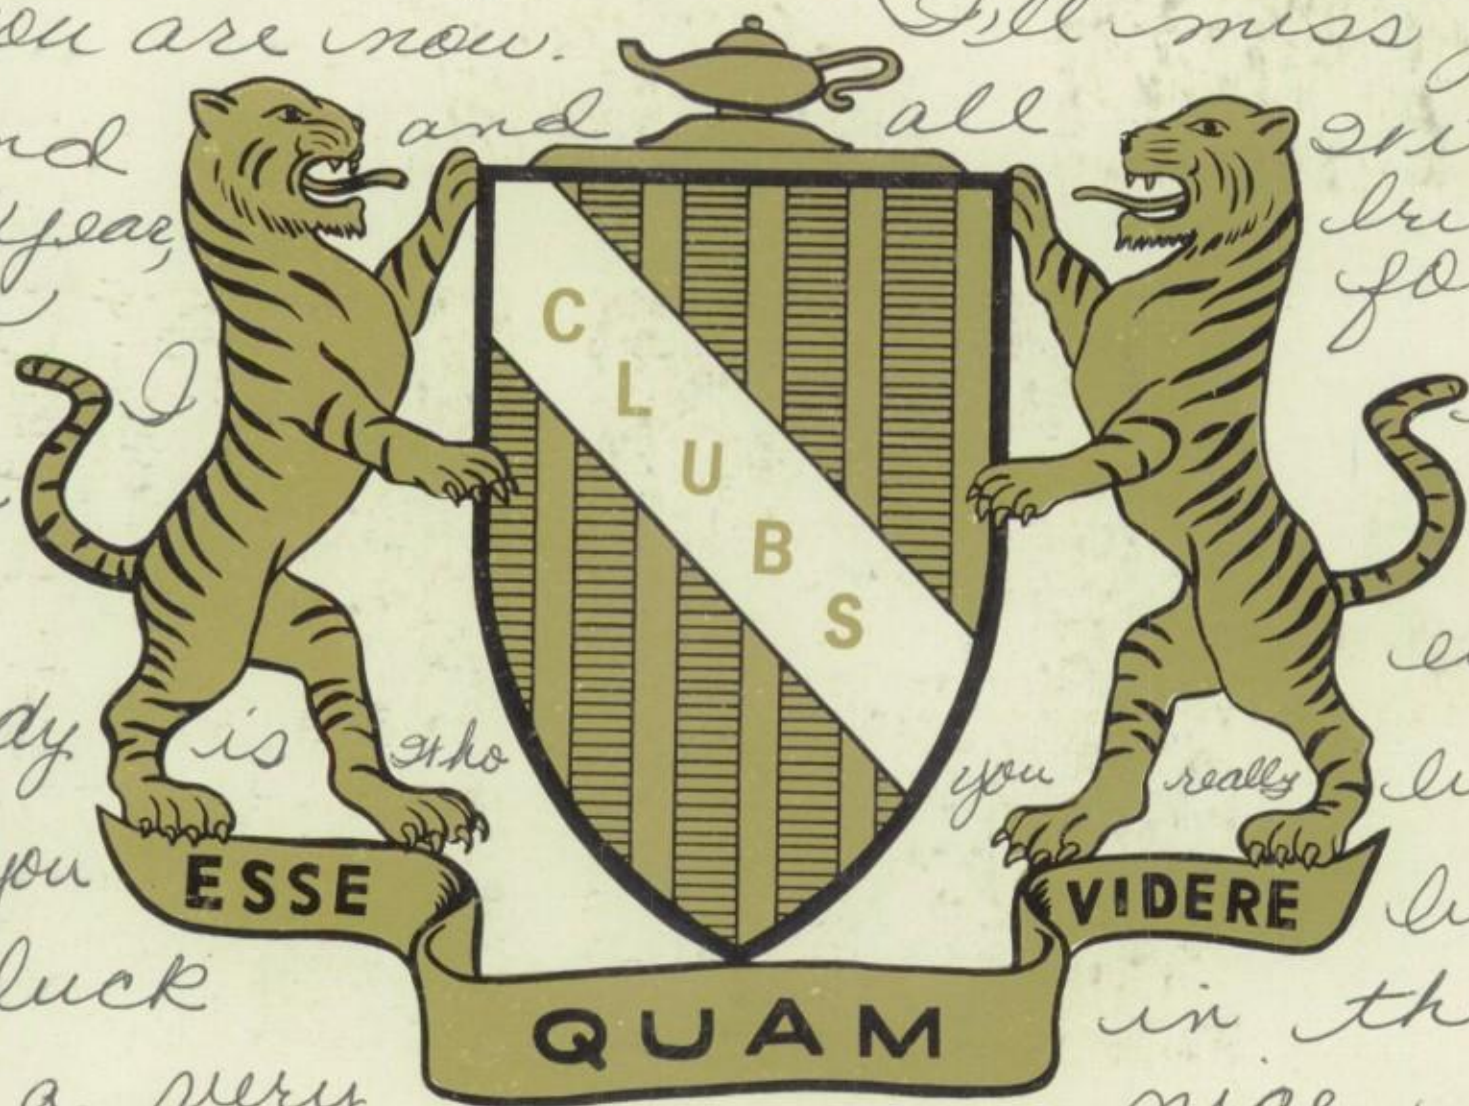

Well doll, how about going swimming tonite?!!

The Tiger Den Committee this year consisted of 32 members, 8 from each class, with the Junior Representative, Rosalie Cowdre and Chairman, Randy St. Clair, presiding. Elected officers were Tina Gilade, secretary and Bob Bible, sgt.-at-arms. Meetings were held the Monday before a Tiger Den.

At these meetings the previously held Tiger Den is discussed and suggestions are made concerning improvement in weeks to come. Also, the school's general reaction to the dance is discussed. Plans are made with regard to theme, color scheme and other decorations concerning the upcoming Tiger Den. Arrangements for posters are made and names are taken assuring that the gym will be decorated and the game tables and the like set-up and taken down. It must be noted that the Tiger Den Committee is not all fun. Five different boys must take care to see all game tables are put away and all decorations taken down after Tiger Den. It is hard to ask a person to stay 30 minutes after the dance to clean-up.

Overseeing the Student Committee is the Adult Tiger Den Board which is the governing body concerning Tiger Den. All decisions are made by the board and ever-needed financial assistance is supplied. This board is a group of parents who unselfishly give their time to see that Westport students have a good time every other Saturday night.
